

# TONY (ANT) CICCARONE

WEB DEVELOPER / ADMINISTRATOR

RESUME

C | V

## ABOUT ME

**Hello I'm Tony**, a well-rounded web developer and master retoucher of photos. I am experienced in PSD to Wordpress/Drupal theming, version controlled feature-based PHP programming, deployment and package management, SEO techniques, and wireframing.

## EXPERIENCE

### Wordpress Developer

INNOVEX

Sept 2015 - Present

Daily tasks include custom theme development, content management and data migration, performing code reviews, SEO, and managing website maintenance/feature queue for 50+ clients.

### Drupal Developer

ZEDventures

Apr 2015 - Aug 2015

Four month contract with eBay/PayPal involving custom programming and responsive web app development for Drupal including testing, maintenance, re-theming and troubleshooting of existing company sites.

### Web Developer

Ruckus Wireless

Apr 2012 - April 2015

Updating pre-existing web properties in PHP and Ruby on Rails with new features, manage and respond to web request queue, documenting systems and their infrastructure. I have worked through Pre-IPO to going public.

### PHP Developer

Contra Costa & Bay East Association of Realtors®

Sept 2005 - April 2012

Design and development of company, Realtor® sites, and custom applications. Ongoing telephonic technical support for both 10,000+ member associations.
